Chislehurst Mineral Water Company

This card is postmarked 1914.

The Chislehurst Mineral Water Company was situated in Park Road. In 1901, the Sevenoaks Chronicle carried a review of its Christmas products.

“Every year, there is an increasing number of those who prefer non-intoxicating liquors, and these we would specially recommend to try the renowned preparations of The Chislehurst Mineral Water Company. This enterprising firm have several most seasonable drinks and their huge 4-horse vans are continually delivering goods in Sevenoaks. All their drinks are absolutely pure and are most pleasing to taste. For children they are indispensable.”

Chislehurst Commons has responsibility for managing the 180 acres of local common land under an Act of Parliament.

The Act made no provision for funding.
